### DECEMBER EVENTS

**Baxter Institute's 40th Graduation  
Tegucigalpa, Honduras  
December 2-7, 2009**

We will be taking two large suitcases that have been donated for Baxter students. They are packed with Halley's Bible Handbook in Spanish for the men graduates, sewing supplies for the women graduates, Hobo bags (made by Jean Burch) with grooming items from Vultee ladies for all the women students and toys for the children's party from Maple Hill. We wish to thank all who made a special donation for the gifts.

Graduation week is a special time for US visitors to meet all the students and staff at Baxter and to spend time with former Baxter graduates who return to the campus to meet with their sponsors. We also visit the JMA Clinic and witness the graduation of the mothers in the

Nutrition Program who have completed classes in sewing or hair styling.

With the help of Alan Rojas, our "Scholarship" student, we will be making a power point presentation of Graduation week to be used at the Christmas Breakfast.

### CHRISTMAS BREAKFAST TO BENEFIT BAXTER

9 AM Sat. Dec. 12

Vultee Church of Christ  
895 Murfreesboro Rd.

The Christmas Breakfast began as a time for the Baxter Ladies to celebrate with their families the work they had done all year to support Baxter. Someone came up with the idea to sell Christmas Crafts to make some money at the same time. It was then decided to invite anyone interested in spreading the Good News of the Kingdom of God in Latin America. Please join us on Dec. 12 to celebrate another successful year of preparing young men and women to be evangelists, teachers and leaders of the Lord's church.

*For to us a child is born, to us a son is given, and the government will be on his shoulders. He will be called Wonderful Counselor, Might God,*

*Everlasting Father, Prince of Peace.

#### November 27, 2009 Howard Norton Concludes School Year with Seminar for the Students

At the end of many bimesters, the students participate in a seminar devoted to a special ministry or mission topic. This week, Howard taught a two-day seminar which concluded the 2009 school year. Howard had stated as one of his goals during his first months as president that he would be able to teach effectively in Spanish. The seminar was well-received by the students (although Howard claims that the students are very patient with his efforts to move from Portuguese to Spanish).

#### November 27, 2009--Clinic Receives Donation from Manos Extendidas

We are very grateful in the James Moody Adams clinic for the donation of medicines and materials from Manos Extendidas, through one of their representatives in Honduras, Mr. Randy Lundrigan. In addition to items for the Clinic, they also donated items to be given to public hospitals that can use them.

To Manos Extendidas, thanks you so much for your contribution, Blessings. --Dra. Xiomara Lizeth Erazo

Baxter Grads:

By Linda Henry

Remember Brenda Montes? She and her husband have been working this year with extremely needy children with Jarrod Brown in the Choluteca, Honduras area--teaching them and loving them. She is so proud of them, watching them

develop and grow. The Montes move this week to live and work in Nicaragua...and sends greetings to all of the Damas crowd!
