### News & Notes from Baxter

By Howard Norton

I may be able to be at the brunch, but I can't say for sure at this moment due to one or

two other things that I must work out before giving a firm answer. I would like to show a PowerPoint presentation if there is room on the program for it. It would take about 15 minutes.

The fourth year students are now home from their PAM (internship) experience. This means we have 57 of 58 students on campus. One wife is awaiting gall bladder surgery and is with her parents in Guatemala. We are aiming for 75 students in 2011. The last two weeks we have had about 100 visitors staying on campus and doing various campaigns. Space has been at a premium except in the men's dorm. Things are really popping.

Numerous people have been helping in the Clinic. We have two additional young ladies who will be working in the Clinic for the next few weeks: Libby Isenhower and Katie McCormack. Libby has been there several times before, and Katie, a nurse, will be making her first trip. Her dad Jeff is a former roommate of my son Ted at OCU. They have been close friends since the 1970s. Jeff teaches at Lipscomb, and Katie is a graduate of Lipscomb.

The walls of the president's house are going up. This has involved quite a bit of

excavation. It will be located between the CELO building and the main offices.

I will be back in touch with you soon.

Dear sister, may God bless you!

We pray to God so that He may strengthen your body and soul through the recovery process from your surgery. It is very kind of you to ask if we have anything to share about our plans for our studies at HUGSR. As a matter of fact, we do expect to be able to grow not just in knowledge but also in spirit to serve God and His Church in better ways. We hope to be able to serve Him in a nearby congregation, even though at this moment we don't know of a church that may want us to meet and serve God with them. Tomorrow, Wednesday 30th, we have our appointment for the visa interview at the US embassy, we hope in God that everything will go fine with His help.

We are very thankful for the support for us through the fundraiser. May God bless every activity you perform for His Kingdom.

In His love,

Lenin & Emperatriz Munguia
